TC 3700 MAIL ROOM

In response to the Office Action mailed February 5, 2002, please amend the application as set forth below. Reconsideration of this application in view of the following amendments and remarks is respectfully solicited.

AMENDMENTS

IN THE SPECIFICATION:

Please replace paragraph [0044] with:

*A1*

[0044] As may now be apparent from the proceeding description, the actual placement of the lower case glyphs in association with or on the individual keys 120 need be in a non-interfering location relative to the upper case glyph on each key. This relation between the positioning of the upper case and lower case letters on or associated with the individual alphabet keys of the keyboard may be better understood with reference to FIGS. 5-7. As may be seen from these three illustrations, the lower case glyph is positioned in a non-interfering location in a quadrant of the upper surface of the individual keys different than the quadrant in which the upper case glyph is positioned. In FIG. 5, the upper and lower case
